Abstract:

The application period for 2008-2009 SRAI 4th year option has closed. Students who choose the SRAI 4th year option will be enrolled in IDH 4905 (for six credits) during the Fall and Spring semesters in which the project is being completed. SRAI projects must be presented at the annual Honors College Research Conference and students must complete other requirements as stated by the Director of the SRAI program. Students who wish to complete a SRAI 4th year option project during the 2009-2010 academic year must submit this form to the SRAI office in DM 233 signed by the SRAI Research Affiliate with a 250-word abstract describing the project no later than May 30th, 2009. **No extensions will be made to this deadline and incomplete proposals will not be approved.** Hand written applications and/or proposals will not be accepted. Only projects that comply with these procedures will be applied toward the fourth year requirements for graduation through The Honors College.

THIS SECTION TO BE COMPLETED BY FACULTY MENTOR

I have agreed to work with the above named Honors College student on the project described on the attached abstract during the time period indicated above. I understand that I will be required to complete an online mid-project report and a final report in addition to grading this project.
