STAFF SPOTLIGHT - MEET OUR NEWEST HONORS COLLEGE TEAM MEMBERS!

NATALIE YAGUAL CAMACHO
Honors College Curriculum Specialist

What I am most excited about: I'm excited to build relationships with Honors faculty and experts from the community to work together to enhance the curricula for our students.

My advice to Honors College students:

"No matter how much you know, there is always more to learn!"

NICOLE PATRICK
Honors College Study Abroad Coordinator

What I am most excited about: Sharing my passion for learning through experience with Honors College students. "You miss 100% of the shots you don't take – Wayne Gretzky – Michael Scott"

My top travel tip is to do it! Often students debate to even go on a Study USA or study abroad. If the opportunity is there, take it! I can say from experience the only thing you will regret is NOT going during your time in college.
